Organised in association with:

CONNECTING YOU WITH **GLOBAL VIP BUYERS, SENIOR PROCUREMENT OFFICERS, GOVERNMENTS, AND DISTRIBUTORS ACROSS THE PUBLIC AND PRIVATE SECTOR.**

Future Healthcare will take place 13-14 March at Olympia in Central London - the world renowned business capital of one of the most influential countries in the world.

THREE MAJOR ACHIEVEMENTS

A TRULY INTERNATIONAL EVENT

expecting in excess of 4000 attendees from 45 countries and exhibitors from 25 countries.

IT IS THE ONLY UK EVENT DEDICATED TO SHOWCASING HEALTHCARE PRODUCTS, SERVICES AND INNOVATIONS ON A GLOBAL SCALE

FUTURE HEALTHCARE ATTRACTS DECISION MAKERS

from across the global healthcare chain to enable cross-sector collaboration and deal making.

Future Healthcare will represent you with a vital opportunity to demonstrate your products, services and capabilities to the senior decision-making audience who will attend.

These are the very people that are normally so difficult to find and meet, who will attend this revolutionary event because they are seeking partnerships with organisations like yours.

Staged at Olympia London, this is a unique and powerful sales and marketing platform for all organisations looking to forge key relationships with professionals at the heart of the UK and global healthcare sector.

Wearable Technology • Digital Health

NEVER MISS A BUYER

When you exhibit with Future Health, you can be sure that you will meet the buyers you want to meet and we will send a dedicated email on your behalf inviting your prospect clients to meet with you at the event. What is more we will invite them to book an appointment with you in advance so that you can make the most of your time at the event and also increase your return on investment.

INVEST IN HEALTH ZONE

The 'Invest In Health Zone' will host a community of companies supplying funds to develop projects both in the UK and internationally, with a key focus on developing the latest and cutting edge advances in digital health.

OPEN INNOVATIONS THEATRE

Twenty exciting innovators are chosen from our poster campaign to take to the stage. They have 10 minutes to tell the audience why their innovations are shaping the future of healthcare around the world. Of the twenty innovators presenting to the audience in the Open Innovations Theatre, 4 will be chosen to present for 10 minutes each, plus 5 minutes for Q and A's 'Dragons Den Style' to our participating funders.

INTERNATIONAL WEEK FOR GLOBAL FUTURE HEALTHCARE INNOVATIONS & TECH TRANSFORMATION FOR SUSTAINABLE & AFFORDABLE GROWTH

As part of the first International Week for Global Future Healthcare Innovations, FHXP018 will be positioned at the heart of the global healthcare industry. From 13 to 14 March 2018, the UK will be the epicentre for innovators, entrepreneurs, thought leaders, key buyers and investors, policy and decision makers in healthcare from all over the world. They will come together to work alongside stakeholders to promote collaborative thinking and development, and to accelerate the technological solutions needed to support sustainable healthcare systems.
